Rules: This contest is open to any young lady who resides in Texas and is actively involved in the Texas Cinderella State Program and plans to attend the State Pageant as Staff, Royalty or a Contestant. Every contestant must write a one page essay on “Name a Special Cinderella Girl, past or present, that you have shared your most memorable Cinderella moment with.” Along with the essay, each contestant must turn in two photographs – one of the contestant writing the essay and one of the person the essay is about, or one photo of the two girls together at a Cinderella event. (These photos will be used in the calendar if selected, so make sure they are of good quality and the actual photograph, not a laser copy.) Essays will be judged on creativity, overall presentation and content. Essays must be written by the contestant or in the case of the babies and tots, stated in the contestants own words. Moms can help write the essays, but please keep these rules in mind. There will be a total of thirteen winners selected from ALL the entries received. The best twelve essays will be chosen as our featured Calendar Girls. One Overall Calendar Girl will also be selected from all entries received and she will receive a cash award and the front page of our calendar. We will also dedicate a portion of each Winner’s page to the person the essay was written about. Every Calendar winner will receive a custom crown, satin monogrammed banner, and their own featured page in the calendar. Winners will be announced at the Texas State Pageant during the Welcome Banquet.
