### WHAT IS TXMTC

Texas' Model & Talent Competition is for girls and young women dedicated to the advancement of the modeling and talent fields through competitive events, the establishment of professional ethics and the standardization of training. The competition is open to all amateur models and/or those engaged in the performing arts, regardless of their affiliation with any other modeling or talent association or pageant.

### WHO MAY COMPETE IN TXMTC

Any amateur may enter TXMTC (anyone who has not made more than \$6,000 in a calendar year through either a modeling or talent contract).

### SCHEDULE OF EVENTS

Events have been scheduled so that contestants may participate in every category, especially those who are trying for the overall awards.

### MODELING & TALENT SOLO AGE DIVISIONS

Competitive modeling and talent events will be broken into the following age divisions: 3-4, 5-6, 7-9, 10-12, 13-17, 18 & Over -married or single. Age divisions might be combined so that a minimum of "3" entrants per division is achieved. Age is determined on the day of the pageant.

### CATEGORY AWARDS

Official TXMTC awards will be given to 1st, 2nd and 3rd place in each modeling and talent category. In the event that there are less than three (3) participants in a category, the judges (at their discretion) may withhold giving a 1st place award if they feel the participant is not qualified for such an award.

### OVERALL "TXMTC MODEL OF THE YEAR" AWARDS

To qualify for the overall modeling awards, a participant must have entered the Partywear category and any other three modeling categories of their choice; minimum of 4 modeling categories. Points from the required category and the three highest points from other categories entered (you may enter as many categories as you desire) will be tabulated in the following manner: Each 1st place - 3 pts; each 2nd place - 2 pts; each 3rd place - 1 pt. The participant accumulating the highest number of points in each age division will be awarded the official "TXMTC MODEL OF THE YEAR" State title, banner, crown and a \$200.00 CASH AWARD. (A "model-off" in the garment of your choice will be held in the event of a tie.) If there are less than 3 in a division, the prize money will be prorated.

### OVERALL "TXMTC TALENT OF THE YEAR" AWARDS

To qualify for the overall talent awards, a participant must enter a minimum of three (3) solo talent categories. The highest points from 3 talent categories entered (you may enter as many categories as you desire) will be tabulated as follows: Each 1st place - 3 pts; each 2nd place - 2 pts; each 3rd place - 1 pt. The participant with the highest number of points in each age division will be awarded the official "TXMTC TALENT OF THE YEAR" title, banner, crown and a \$200.00 CASH AWARD. (In the event of a tie, those making the tie will perform again in order to break the tie with the talent of your choice). If there are less than 3 in a division, the prize money will be prorated.

### METHOD OF ADJUDICATION

TXMTC modeling and talent competitions are NOT BEAUTY CONTESTS; however, good grooming and overall appearance will be taken into consideration. Modeling will be judged on: 1) Posture & Body Alignment; 2) Walk & Movements; 3) Interpretation of Garment; 4) Presentation; 5) Composition of Routine. Talent will be judged on: 1) Appearance; 2) Composition of Routine; 3) Variety & Difficulty; 4) Execution; 5) Presentation. Only in the "Cameo Girl Pageant" competition will physical beauty and appearance be taken into consideration.

### RULES & REGULATIONS

Models choose their own garments. Props are allowed as long as they do not distract from the outfit. All garment categories will be "runway modeling" and the participant will be expected to show proper entrance and exit, a basic pivot or other turn and the necessary detailing and interpretation of the garment. Smoothness, flow (fluid motion), showmanship and sales ability are all important attributes for a good model.

### MODELING PROCEDURE

TXMTC is "free style" and there is no set modeling pattern. However, participants should consider this as high fashion runway modeling, much like that exhibited at New York Fashion Week or that can be observed on popular TV shows like Project Runway. Upbeat, instrumental music will be highlighting the particular garment they are wearing. A modeling demonstration will be provided at orientation.
